

**STANDARD SCHNAUZER CLUB OF AMERICA**  
**RESCUE PROGRAM**  
**FOSTER HOME CONTRACT**

I agree to serve as a foster home for the Standard Schnauzer Club of America.  
I recognize that this will be on a temporary basis while a permanent home is located for said rescue dog. I recognize and agree to the following conditions:

1) Basic Responsibilities: I will exert my best effort to give care and shelter to this rescue dog. I agree to evaluate his/her overall health and temperament in various situations. I understand and agree that I have an ongoing obligation to provide status reports to the rescue chair including, but not limited to, any actions and/or behaviors exhibited by this rescue dog that may or may not affect his/her eventual placement.

2) Risks of Foster Care: I understand and accept that there are potential risks associated with bringing a rescue dog into my home. The SSCA cannot vouch for the temperament, health or line of the dog other than as stated in any associated paperwork. Therefore, I assume and accept any and all risks associated with fostering a rescue dog and I agree that I will not hold the SSCA and/or any of its members/volunteers liable for any and all damages and/or injuries to myself, other family members, guests, other animals and/or property resulting from the presence or actions of a rescue dog.

3) Expenses: Reasonable and customary expenses such as food, flea and heartworm medication, routine vaccinations and general health exams will be covered by the SSCA Rescue fund. All expenditures must be approved in advance by the SSCA Rescue Chair and/or the SSCA Board of Directors. Expenses beyond these reasonable and customary expenses are not guaranteed to be reimbursed without prior approval as defined. If an emergency situation exists that requires immediate medical care, the Rescue Chair must be contacted as soon as possible.

4) Placement of Dog: I understand that the rescue dog is the property of SSCA and I do not have the right to sell or give away said rescue dog. I acknowledge and agree that the Rescue Chair makes the final decisions regarding the care and the placement of any rescue dog, and that the SSCA has the absolute right to remove any rescue dog from my care with or without cause, at any time.

This agreement is between the SSCA Rescue Program and the Foster Home.

My signature below acknowledges that I have read and fully understand the liability waiver. I agree to the terms and conditions set forth herein fully and completely.
